Dear Papa - Your card received.

So Papa's mama and I went to
to see what is the funeral of my
uncle who was drowned in the
flood. The author of the "Uncle Ry
and Ry" is Walter C. Stear. I
finished mama's slipper, made
a pair for papa and a pair for my
aunt; set your camera this summer
what would you call? I would
like to go out with magazines
or a small book but want some
one to go with. Only about five
mths of school. The year news so
short! Write soon. Love to all,
Ethel.
